## Hurricane Tigers vs American Legacy Academy Eagles By: Aspen Higgins

---

*1 game, 2 teams, 4 quarters to win. Hurricane Tigers make their first touchdown at 9:27 in the 1st Quarter. The HHS cheerleaders sing along with the high school student section. ALA has their cheerleaders trying to get their team hyped up. It kind of worked, the Eagles tried to get a fake field goal in but the plan backfired. At the beginning of the second quarter, the Tigers make another touchdown. The score is 19-0, Tigers. Plenty of penalties this game to both teams, losing yards is very valuable in this game. Towards the end of the half, Hurricane makes a wide open play to make another touchdown to end the 1st half. 33-0 Hurricane.*

*3rd Quarter and the Tigers are in the lead. Nearly half of the quarter goes by until the Eagles finally get on the board with their first touchdown and they also get a two-point conversion. Quarter 4 and the Tigers get their final touchdown for the night. 40-8 Tigers. ALA gets another touchdown close behind. 40-14, and nearly two minutes left we get a safety, earning us three more points. When the final buzzer rang, the Tigers and their cheer squad get together and sing our fight song in victory with the crowd. 43-14 Tigers vs Eagles, what a way to end a Friday Night!*

# Peach Days is back!!

By: Lilly Zitting

*And it's bigger and better than ever! Last year the city had to cancel peach days due to COVID-19. If you don't know what peach days are, it started as a fruit festival and eventually the fair grew bigger and bigger into today's modern Peach Days. But this year it's back, and instead of only three days there is a full week of fun activities, including:!*

*Starting with:*

- *David Archuleta concert with a pre show and free burgers and hotdogs (Monday, starts at 6 p.m. at the football stadium).*
- *Heritage concert with free peach cobbler to go with it (Tuesday, starts at 7 p.m. at the football stadium).*
- *Free tournaments that are included are golf, pickleball, corn hole, and swimming (Wednesday 4-7 p.m.).*
- *The traditional events with displays, booths, quilts, and a carnival (Thursday, starts at 5pm).*
- *Then the foam dance and rodeo ending with a movie in the park (Friday, starts at 10 a.m.).*
- *The Fun Run and Hurricane Canal Treks (6:30 a.m.) and to end it the Peach Days Parade (Saturday, starts at 9:15 a.m.).*

# Cheerleaders

By: Brindi Lovell

*The sky really is the limit when it comes to the cheerleaders of Hurricane, Utah. Coach Katlin Allen of Hurricane High School, says that the cheerleaders might be the strongest team she has had the pleasure of coaching! With a team of 34 members and 6 coaches, they can do the impossible. They had 58 cheer candidates submit video auditions during the first round of tryouts in March, and out of those, six freshmen were chosen to be on the team; Kahlil Allen, Jencie Porter, Lacie Johnson, Kambria Ostlerlsen, Kayleiie Timpson, and Emma Rasmussen. They practice 3-4 days a week through February and Coach Allen said that they also practice, "all through the summer except for July to ensure new members are up to speed when school and football season starts." Their practices include cardio, strength and conditioning, learning and reviewing cheers and dances, and LOTS of time mastering advanced stunts.*

*When Coach Allen was asked about how she feels about the people on the team and how impressed she is with them, she replied that while she gets emotional when things start to "click with their skills," the real magic comes from when they come together and accept each other as teammates.*

*She was also asked about some routines that they have been practicing and when she answered, she replied enthusiastically, "We have 2 competition routines, a showy pom routine, and a hip hop routine right now." During the first day of school assembly and first home game, they performed a crowd favorite and are now preparing a homecoming routine that they are excited to perform for some of their fellow alumni. This is their third year competing and they are excited to excel with spinning stunts this year!*

# Labor Day is Soon!

By: Olivia Ruesch

*Labor Day is a time to get together with friends and family to celebrate. You can go swimming, have a barbecue or watch the parade. Labor Day this year is on Monday, September 6.*

*The whole weekend before that is dedicated to celebrating Labor Day. A cool thing about Labor Day is that it is always the first Monday of September. So what is Labor Day and why do we celebrate it? Labor Day is a day when we celebrate all the worker's rights. We like to celebrate Labor Day so we can remember those who fought for the right to work when and where they want. It first became a federal holiday in 1894. Americans have been celebrating it since then.*

*There are a lot of fun events going on during Labor Day. It is right after Peach days, so some of the activities are the same as Peach days. See the article on Peach days to find out events happening around then. Another awesome thing about Labor Day is that there is no school on that Monday. Three day weekend! So enjoy your long weekend and remember to pay tribute to the achievements of the American workers*
