**We hope you are all did well on your RISE and  
ASPIRE tests.**

**Congratulations to the new Student Council  
members!**

**Who else is so excited for the new Doctor  
Strange and Thor movies?**

**We are so sad to see some of our staff leaving  
HMS!**

**School is almost over! We'll make it!**

**We hope you'll have an awesome Summer  
Break!**

# Student Council Members 2022-23

## -10th grade-

### Gracie Yates

Meet Gracie Yates! Along with Will Reeve, Emma Stevens, and Walker Drawe, Gracie is one of the newest members to next year's Student Council! She loves to read, run, and hang out with her friends. Gracie also loves to listen to music! Some of her favorite artists are Harry

Styles, Taylor Swift, and Lana Del Ray.

Gracie has always wanted to be part of Student Council.

"I never would've thought I'd be able to make it this far and it's something that really means a lot to me" she stated. "I think there is something so special about student council and it's given me so many more friends, opportunities, and helped me break out of my shell."

Next year, Gracie hopes to get more students engaged in spirit weeks and activities as well as making everyone feel supported and welcome. "I feel like this next year will be such a great opportunity and a fresh start for everyone. So I hope we can all become closer as a class."

### Walker Drawe

One of our new 2022-2023 student council members is the one and only Walker Drawe! He enjoys playing basketball, golfing, swimming, and eating food. Walker enjoys being in-

involved in student council because "it's fun meeting different people and fun to make plans for the school!" When asked what his vision for next year was, he replied, "That people will be happy and [I can be] helpful to others!" I think we can all agree that Walker will do really amazing things for the high school during his time in student council!

### Emma Stevens

"My hobbies and interests are that I like to play the ukulele and the guitar. I also like to play tennis and hang out with friends. Sometimes I like to write and I like to sing."

"I want to be on the student council because I want to help the people who are left out and not interact with everyone else to help them feel involved. I want to help with school activities and helping around the school, and making school fun."

"My vision is to let the kids be heard and let the kids be involved, not just the student council kids just because they are in the student council, to be a great leader."

### Will Reeve

A strong independent leader, driven by confidence. He has a lot of goals and interests in his life. A main one is video games and hanging around the commu-

nity. Spending time with his family. He chose the path of student council because he wanted to better the community through kindness and confidentiality. Next year he wants to be able to go through a counselor and have people talk to him about issues. Overall Will is a hard working determined kind hearted man because when there's a way there's a Will.

# Student Council Members 2022-23

## -9th grade-

### Gracie Christiansen

When asked about her favorite hobbies and interests, she said that she loves, "Art, piano, year-book, photography, baking, and Chinese!" When asked why she wanted to be on student council,

Gracie said, "I have leadership skills, I want to help make the school better and make the students feel more included and safe." Some things that she wants to add to the next school year are: an outdoor activity, better dress up days, fun assemblies, and she thinks it would be fun to have a food truck come to the school one day. Overall, Gracie wants to make it a really fun year! Next year's Student Council will be amazing, and Gracie will certainly be a great part of it!

### Juliana Maravilla

Juliana is a nice, funny, and smart person. She loves playing cello. She has been playing since she was 10 years old. She plays in the orchestra here at school. She also tap dances. She has been doing it since she was 4 and loves it.

**Why did you want to be on student council?** To help the students. She wants to make the school a better place for all the students going here. School should be somewhere you want to go.

**What is Juliana's Vision?** Juliana is going to make next year great! She is going to have a lot of cool ideas for us. She wants to come up with activities that can include every student. She wants to make the school a fun place to be. It's a good thing we voted for her!

### Jayden Madsen

As most of you may know Jayden Madsen campaigned and made it on to student council for ninth grade. Some of Jayden's hobbies/interests include playing sports such as Basketball,

Golf, as well as running cross country. He also enjoys using his 3D printer and playing on the Switch with his little brother. Jayden wanted to be on student council because there are always good people and friends to do service to the school with. Jayden's vision for this next school year is to make it a great year with more planned in advance activities and more teacher appreciation events. Jayden is a great student and a great friend and we are so happy to have him on student council again this next year. Congratulations on making it on to student council Jayden!

### McKay Campbell

McKay is one of the new student council members for freshman year. She was on the student council as an 8th grader and she loved it. She likes to

express herself through dance and art. She said she feels at home while she's dancing. McKay is also one of our new seminary representatives for next year. McKay wants to be on student council to plan more things since the 8th grade student council members don't get to plan as much. She wants to have more activities and dances, and include more HMS student input. Congratulations McKay!

# Student Council Members 2022-23

## -9th grade-

### Hannah Stout

Hannah Stout is a first-time student council member. Her hobbies include reading, playing volleyball, and studio dancing.

ing. She ran for student council so that she can make a difference and leave her mark on our school. In addition to calculated decision-making, she believes that she can use her personal motto: “Yolo the heck out of it”, to help her plan “more activities and dress-up days” for students. Her main goal is to advocate for better school lunches and spirit week dress-up days. She also hopes that she can help people through kindness and hard work. Congratulations Hannah!

### Gabe Fluckiger

Gabe is one of the many eighth graders that made the student council for next year. She has a very clear picture of what she wants to do next year. Such as having more activities that the students will look forward to.

As Well as having more things that include teachers like teacher spotlights. Gabe chose the student council because she loves the creative part of it because she can use her imagination. A little bit about her: she loves to go snowboarding, mountain biking, and boating. She is also interested in Art and nature. Great job Gabe!

### Afton Wadsworth

Afton Wadsworth is a great guy and will be a great student council member. He enjoys dirt biking, Mountain biking, flipping, and riding horses. Afton loves being on student council and he really likes the students in it.

Afton joined the student council because he wants to help the school be a better place to learn. His vision for next year is to make the school a fun and better place. He also wants to be kind to everyone and consider their recommendations for the school.

### Elijah Patterson

Some of Elijah’s passions are basically anything musical like playing his cello, ukulele, guitar, piano and singing. He also loves to swim and play basketball. We don’t have an exact idea of what he wants to become when he gets older,

but he informed us that he wanted to become an entrepreneur. And finally, Elijah said that he joined the student council because he likes to make new connections with different people, and that he likes to get involved in different school activities. We think that Elijah will be a great person to be on the ninth grade student council, and that he will always be there for you in times of need.

# Yearbook Staff Members 2022-23

## Corban Beutler -Yearbook Editor

When next school year begins, Corban has a few items which he looks to include in the yearbook. He promises that the theme for the 2022-2023 HMS Yearbook will be one that everyone can understand and relate to, making the yearbook much more enjoyable. "The reason why I tried out for Yearbook Staff was because of scouts. To achieve certain ranks in advancement, you must have a reasonable amount of leadership experience, and this seemed like as good an opportunity as I would get." When Corban got into 7th grade HIS Yearbook Staff, he attended the class expecting the worst, but after the first few weeks, he realized that it had a positive atmosphere and actually was very fun. Eventually, Yearbook became the class he looked forward to most during the day. When auditions were announced for 8th grade HMS Yearbook Staff, he couldn't resist applying, and doesn't plan to stop any time soon. Corban likes attending scout activities and spending time with his family. During his free time, he plays Dungeons & Dragons with his friends, as well as playing and writing piano music. Corban is excited for the amazing group of students he gets to be a part of.

## Brindi Lovell -Yearbook Editor

Brindi Lovell has been announced a 9th grade yearbook editor, alongside Corban Buetler. Brindi is very excited to be a part of yearbook staff again next year and has loved it so far. She likes to read, ride her bike, and play sports. Some sports she plays are Basketball and Volleyball. She is a creative individual who always has a plan. Brindi wants to be on Yearbook because it is fun and is an overall really great experience. Brindi is looking forward to meeting new members of yearbook staff as well as welcoming some returning staff back. She will make next year's yearbook amazing. Brindi Lovell will make an awesome yearbook editor! Congratulations Brindi and Corban!!

## Russell Barney

Even though Mr. Barney had knee surgery, we haven't heard his official retirement call yet. Because he is no longer going to be teaching for the rest of the year or at all, I have seen Mr. Barney outside of school and he is doing well. We asked him as well as staff close to him some questions via email and these were the responses:

Why did you decide to retire? - "I am getting old and I have taught for a long time."

What do you plan on doing since you're retiring? - "I plan on recovering, and then relaxing at home. Possibly traveling sometimes."

How long have you been a teacher? - "30 years. Been teaching for a while."

What did you enjoy most about being a teacher? - "I liked having respect from the students and I also liked teaching the students about history. Having them learn about America's history is important to me."

We thank Mr. Barney for his hard work and teaching many students during his career. We are sad to see him go but we do hope that he enjoys his retirement and that he recovers soon from his surgery.

## Kelli Bringhurst

Unfortunately, Mrs. Bringhurst will not be teaching at HMS next year. "It feels like the time is right for me to retire from teaching." She says. She plans on using her free time to travel, finish up projects she has started (maybe start some new ones), and spend time with her family.

Mrs. Bringhurst loves teaching and is going to miss it so much. "It has been such a huge part of my life for years and it will leave a hole in my heart not being here everyday." Her favorite part of teaching was: "Working with and teaching amazing people! I am so lucky to have taught thousands of students and hope that I shared knowledge and passion for the subject matter in a fun and creative way."

Mrs. Bringhurst is so grateful to have had the experience and teach. She remarks, "Thank you HMS for the amazing experiences. I am grateful for the students, faculty and staff that have helped make my experience teaching here so positive. Keep being awesome and follow my favorite piece of advice that y'all have heard me say at the end of every class make good choices!" We are going to miss Mrs. Bringhurst so much and we

# Departing Staff

## Anthony Vick

Mr. Vick is one of three teachers to be leaving us after this school year is over. We asked Mr. Vick the following questions about his teaching experience at HMS and his future at HHS.

Why did you decide to leave HMS? I am leaving because the programming classes have become too large at both schools for one teacher to teach and so I am going to the high school because they had a full time position.

What classes will you be teaching instead at HHS? I will be teaching everything that has to do with computers at HHS. Programming, Game Development, Web Development, Computer Science Principles and Computer Systems.

How long have you been a teacher at HMS? This is my third year at HMS.

What did you enjoy most about being a teacher? I enjoyed the students most of all. Most students who took my class were hard workers.

We are so sad to see Mr. Vick leave us! Good luck at the high school!

## NBA Playoffs

**By: Austin Terry**

Note: This was written as of 4-27-22, so some of the teams' stats may be out of date by the time this is published. Some teams may have been eliminated also.

It's NBA playoff time! Sixteen teams and only one can win! Who do the students of Hurricane High School think will pull off the 2022 title? Let's take a look.

Out of seventy-eight surveyors, 23.1% thought that the Utah Jazz would win big. The Jazz were chosen primarily because students were familiar with the team name and that they were big fans. However, during this playoff season, the Jazz achieved their lowest first-half total in the entire 2021-2022 season which was 36 points in game 5 versus the Dallas Mavericks.

After the Jazz, the Golden State Warriors were ranked with 16.7% of students voting for them. When ask why, Asher Blair explained that they had the best chemistry and that they played as a team the best. Tyson Stout proclaimed that the Warriors are a very dominant team with many players who work well together

Whether it be the Boston Celtics to the Phoenix Suns, this is going to be a playoff season to remember!
