

To friends of Hurricane Middle School,

The holiday season is a time for spreading joy, kindness, and goodwill. This year, we have a wonderful opportunity to make a significant difference in the lives of twenty-five Hurricane Middle School students from our own community who are facing hardships during the Christmas season. We are excited to announce the HMS Cares Holiday Fundraiser and invite you to join us in making a positive impact on these young lives.

Here's how you can help:

- **Donate:** We are seeking financial donations, gift cards, and in-kind contributions. Your generous donations will go directly towards providing these students with essential items and a memorable holiday experience. Every dollar and gift card donated will make a significant difference.
- **Spread the Word:** Help us reach our goal by sharing this opportunity with your friends, family, and colleagues. The more people who are aware of our cause, the more support we can gather for these deserving students.

To make a donation please come to Hurricane Middle School and contact Jody Ballard (finance secretary). We are accepting Venmo: **@HurricaneMiddle-School**. **PLEASE**, in the memo, indicate that it is for **HMS Cares** so that Jody knows the proper account to place the donation. Receipts for physical donations will be provided.

We believe that together, we can make a significant impact and bring holiday joy to those who need it most. Your support, no matter how big or small, will make a difference in the lives of these fifteen students. Let's come together as a community and show them that they are not alone during this festive season.

The deadline for donations is **Nov. 30th**, so please act swiftly to ensure we have ample time to make this holiday season magical for all. Thank you for your generosity, support, and commitment to our community. Together, we can create a brighter and happier holiday season for these students in need.

Warm regards,
