# Mr. Tate leaving for UOS

By Dallis Gubler

Our school will soon be saying goodbye to Vice Principal Mr. Tate, who has been an important part of our community. He will be going to be a VP for Utah online.

On leaving HMS, Mr. Tate said the following:

“I have really enjoyed my time at Hurricane Middle School. When I first arrived at HMS 4 years ago, I was very worried about everyone accepting me as the Assistant Principal. Everyone that I have worked with has been so nice and welcoming. When Mr. Jaggi says that we are a family at HMS, he really means it. The relationships I have formed with everyone that I have worked with will stay with me forever. Thank you, HMS!!!”

Mr. Tate has done an amazing thing for our school. Whether it was helping out a student or solving a problem. Many students have gone to Mr. Tate for help.

Teachers and staff also appreciated everything he did to keep the school running smoothly. He helped create a positive place where students could do their best.

We are going to miss Mr. Tate, but we are grateful for everything that he has done for our school. We wish you the best as the new VP. Thank you for everything, Mr. Tate!

# Mrs. Cheryl Hawkins leaving for PVIS

By Kenzi Robertson

Mrs. Cheryl Hawkins has announced her departure, sharing that she is leaving to take a position at Pine View Intermediate School at Fossil Ridge next year.

While she will continue her role at Hurricane High School in the mornings, her new role will allow her to focus more on the needs of younger students. Mrs. Hawkins expressed deep gratitude for her time at Hurricane Middle School, highlighting the incredible students and teachers she's worked with over the past decade. She fondly recalled memorable trips with Mr. Wadsworth's class, some of which she had never experienced in her 10 years there.

Though she admitted feeling sad to leave, she embraced the change with optimism, quoting Dr. Seuss: *"Don't be sad that it is over, just be thankful that it happened."* While she feels a mix of excitement and nerves about her new role with younger children, she is eager for the fresh challenges ahead. Her departure marks the end of an era but also the beginning of a new chapter filled with purpose and growth.

## HAPPY TEACHER APPRECIATION WEEK!

*(a message from Mr. Gubler)*

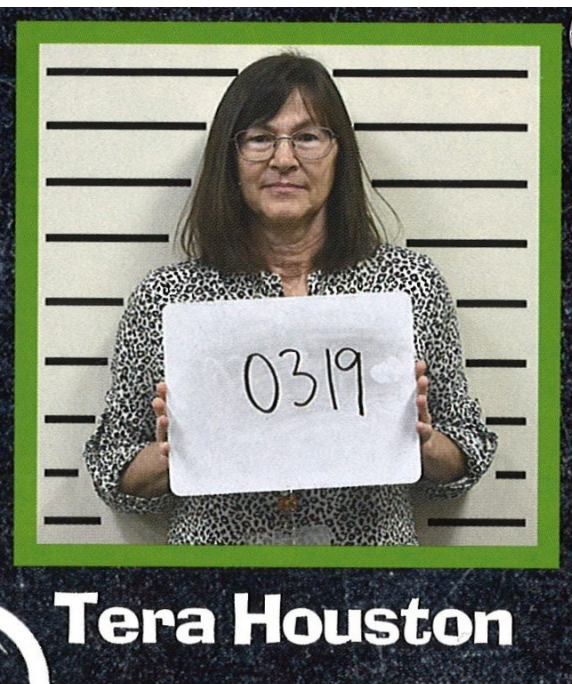

What about the teachers who are helping take care of all the appreciation? We love them too, maybe more. On that topic, do we ever have paraprofessional appreciation week? Or secretary appreciation? Administration appreciation? Lunch lady appreciation? Custodian appreciation? We appreciate all of them as well! How many times can I write or say that word? How about, we value, admire, respect, cherish, love, treasure, understand, empathize with, esteem and recognize these good people.

# Mrs. Houston leaving HMS for CTHS

Mrs. Tera Houston is leaving HMS after 11 years of working here as a counselor. For the last three years, she has split her time between HMS and Career Tech High School (CTHS). Next year, she will be full time at CTHS.

Many might not know this, but Mrs. Houston is from Columbus, Ohio and has worked in the Hurricane schools as a teacher and counselor for 32 years. She started her career at Hurricane High School as a physics teacher. In fact, she taught the two other counselors, Mr. Kroff and Mr. Healey in high school. Mr. Healey said she was also his mentor while he was getting his counseling license and has shown him now to wear “multiple hats” as a counselor.

“I will always be amazed by how she makes problems disappear overnight,” Mr. Healey said. “She is always someone that I can go to if I have questions. She has had a huge impact on this school and her presence will be greatly missed!”

“Tera is dependable, a really good listener and a problem solver,” Mrs. Tuttle, the HMS registrar said.

Mrs. Houston said she loves the students and staff at HMS and that no day is ever the same.

“I will miss the barbeque skills of those not to be named,” she said. “I am sad to be leaving.”

*Left:* No, Mrs. Houston is definitely not a convict—this is just a fun picture to go with the theme of the counseling page three years ago.

# Mrs. Taylor leaving for Lava Ridge Intermediate

By Brinsley West

Mrs. Taylor is leaving HMS to go to the Lava Ridge Intermediate School! When I asked her why she was going she said “I had a feeling that I would be a good fit at an intermediate school, and I am excited to teach 7th grade next year!”

She said that she loved teaching here at HMS and learned a lot. Some of her favorite memories here include holiday parties with her homeroom, chaperoning Mr. Wadsworth’s field trips, and taking students outside to read.

“I will miss my coworkers and students,” she said. “And I will also miss the sense of community in Hurricane. I have truly enjoyed being a part of it.”

One of her students, Kinnadie Campbell, said, “I love Mrs Taylor; she is the best. Her class is super chill and she's really nice. It's a great environment!”

When I asked Mrs. Riach about Mrs. Taylor she said:

“I love, love, love, working with Mrs. Taylor!! I am already crying about her leaving. My favorite thing about her is her personality! She is always kind, patient, calm, and fun! I love her like a sister. My favorite memory is when she hosted a Book exchange party for us teachers.”

Mrs. Taylor I hope you know that you will be missed! We enjoyed having you and we know the LVIS will love you just as much.
